2009 ANNUAL REPORT

TO: Fond du Lac County Board of Supervisors

FROM: Julie Hundertmark, County Treasurer

DATE: April 22, 2010

Attached please find the 2009 Annual Report of the Fond du Lac County Treasurer's Office. Included are various reports giving you a financial, investment and collection summary for 2009 and comparison year 2008.

Interest rates on investments in 2009 decreased and the rates continue to be low.

The tax collection season continues to be the most challenging time of the year for the Treasurer's Office. We relied on help from employees of the County Clerk's Office and the Finance Department to continue the smooth operation of the office. We are very thankful for the help that we receive. Overall we collected more in Real Estate and Special Assessments last year but the amount of Delinquent and Postponed Taxes also increased.

In April of 2008 we started the In-Rem Foreclosure on 2003 and 2004 delinquent taxes with 133 parcels. The number is down to 6 at this time with one additional parcel pending. These properties will be advertised for sale in the near future with hopes of getting them back on the tax roll as soon as possible.

In November of 2009 we started the In-Rem Foreclosure on 2005 and 2006 delinquent taxes with 186 parcels. We are in the middle of the process at this time but the number is down to 86.

We have made a few changes in our office due to Judeen Damm's retirement in October. Ann Bovee is our new Deputy Treasurer, Delores Fritsch is our Account Clerk and Laurie Kelly is our new Accounts Receivable Clerk. We continue to cross-train within our office to increase the efficiency of the services provided by our office.

Please contact our office with any questions or concerns you may have. You are welcome to visit our office at anytime.

Respectfully Submitted,

Julie Hundertmark
Fond du Lac County Treasurer
